About US

Welcome to Education House Leeds, where we're all about opening doors to excellence in education and professional growth. Here at Education House Leeds, we're passionate about delivering top-notch courses and training programs that are specially crafted to meet the unique needs of our international students and participants.

Picture this as a journey—one that enriches your mind and hones your skills. Our three main courses are your guide, offering an educational experience that's not just comprehensive but also deeply rewarding. Imagine mastering the International English Language Testing System (IELTS) with our dedicated preparation course. Our experienced instructors are there to walk you through the ins and outs of the test, giving you the skills and confidence to achieve the score you're aiming for.

Then, there's our General English Course, designed to immerse you in a learning experience that enhances your language proficiency. Whether you're starting from scratch or looking to refine your language skills, our dynamic curriculum adapts to your unique learning needs. And for those aiming for success in the global business arena, our Business English Course is tailored just for you, focusing on language and etiquette crucial for professional success. But it's not just about language proficiency. We go beyond that by offering specialized Business Management training for our international participants. Our courses blend theoretical knowledge with practical applications, preparing you to navigate the complexities of today's dynamic business landscape.

We take great pride in our commitment to academic excellence and quality. It's why Education House Leeds is accredited by the British Accreditation Council. This accreditation is our way of ensuring that our students and participants receive education of the highest standards.

We continuously strive to both widen the scope of our qualification offerings, and deliver on real value that helps our learners achieve their aspirations and raise themselves up to where they want to be.

This service is invaluable for preparing assignments, projects, and study materials that require a tangible format.

The IT Lab stands as a pivotal resource in augmenting your learning process. It provides you with essential tools and services that are integral to your academic journey.

By offering a reliable internet connection, photocopying, and printing facilities, we aim to facilitate a conducive environment for your educational endeavours.

This state-of-the-art facility is geared towards ensuring that you have all the resources you need to excel in your studies.

5. Assessing and Monitoring English Proficiency with EF SET

Education House Leeds is dedicated to providing unparalleled education tailored to each student's needs. We utilize the EF Standard English Test (EF SET) to precisely evaluate the English proficiency of our newcomer students enrolling in our IELTS Preparation Course.

Key Features of EF SET:

- **Online Test:** Take the test from the comfort of your own home or any location with internet access.
- **Instant Results:** Receive a detailed score report indicating your proficiency level upon completion.
- **Adaptive Testing:** Accurately assess proficiency with a test that adapts to your ability level.
- **CEFR Alignment:** EF SET scores align with the internationally recognized CEFR language proficiency levels.
- **Four Language Skills:** Evaluate proficiency in Reading, Writing, Listening, and Speaking.
- **Certificate of Achievement:** Receive a certificate indicating the CEFR level achieved in each language skill.
- **Wide Range of Proficiency Levels:** EF SET covers proficiency levels from beginner (A1) to advanced (C1/C2).

By leveraging EF SET, we ensure that every student receives the targeted support needed to thrive in their studies. Regular assessments allow us to track advancements, identify strengths, and address areas that may require additional attention. We look forward to supporting you on your journey to success in IELTS and beyond.
